

Medtronic

New Science & Innovation in EP – for Fellows

December 1, 2011

Fairmont Hotel - Chicago, IL

Director

Jasbir Sra, MD, FACC, FHRS

Clinical Professor of Medicine, University of Wisconsin
School of Medicine and Public Health, Milwaukee Clinical Campus
Director, Electrophysiology Research, Aurora Sinai Medical Center
Director, Electrophysiology, Aurora Cardiovascular Services
Director, Electrophysiology Fellowship
Milwaukee, WI

Description

A program for EP and Cardiology fellows held the day before the AF/VT/VF Summit designed to educate on the latest scientific trends and innovations in the field of electrophysiology. Topics covered include: device technology to reduce unnecessary ICD shocks and improve therapeutic response, trends in the management of device patients, advancements in the diagnosis and treatment of VT, and a “test your knowledge” section.

Agenda

Thursday, December 1, 2011

Arrivals in the morning at leisure

11:00 am Registration and Lunch

12:00 pm Welcome

Interactive Sessions with Audience Response System

12:15 Case-based ICD Troubleshooting and Program Optimization
John DiMarco, MD

1:00 The Latest in Electrical Therapy for HF
Arthur Moss, MD

1:45 New Trends in Clinic Management of Device Patients
Laurence Epstein, MD

2:30 Break/Virtual Programmer

3:00 Advancements in the Diagnosis and Treatment of VT
Francis Marchlinski, MD

3:45 Test Your Knowledge – Case-based Learning with Audience Response Questions
Hein Wellens, MD
Masood Akhtar, MD

5:30 pm Adjourn/Reception

Program Faculty

Masood Akhtar, MD, FACC, FACP, FAHA, MACP

Clinical Professor of Medicine
Director of Arrhythmia Services, Milwaukee Heart Institute
Chief of Cardiology, Aurora Sinai Medical Center
Milwaukee, WI

John P. DiMarco, MD, PhD

Professor of Internal Medicine
Department of Medicine
Division of Cardiovascular Medicine
University of Virginia School of Medicine
Charlottesville, VA

Laurence M. Epstein, MD, FACC

Chief, Arrhythmia Service
Director, Electrophysiology Laboratory
Brigham and Women's Hospital
Associate Professor of Medicine
Harvard Medical School
Boston, MA

Francis E. Marchlinski, MD

Professor of Medicine
Director of Electrophysiology
Hospital of the University of Pennsylvania
Philadelphia, PA

Arthur J. Moss, MD

Professor of Medicine
University of Rochester
School of Medicine & Dentistry
Rochester, NY

Hein J.J. Wellens, MD

Professor of Cardiology
Cardiovascular Research Institute
University of Maastricht
The Netherlands
